## Profile

I am a professional and hard-working team member who can easily adapt to new surroundings. I am a motivated individual with a range of experience. I have the strong business acumen and I am always willing to learn. My strengths are within technology and online gaming however my aim is to further enhance my experiences to help me develop new skill sets.

## Experience

### RESEARCHER | AUG 2016 - FREELANCING

I have worked with a number of online writers and editors and agencies as a researcher within the esports industry, fact finding valid information regarding entertainment news to help bridge any gaps they may have missed. I have worked alongside, [dexerto.com](http://dexerto.com), [kairoesports.com](http://kairoesports.com) and [hitmakerjobs.com](http://hitmakerjobs.com)

### ONLINE TOURNAMENT ADMIN | DEC 2017 - FREELANCING

Working with individuals on [gfinity.net](http://gfinity.net) and [egl.tv](http://egl.tv) responding to queries about the site/game, also enforcing rules when needed. Passing on information about match scores to be updated for players.

### SALES ADVISOR | LUXURY SCENT | JUNE 2021

As a sales advisor with in Luxury Scent I was responsible for more than just the sales. I delivered a high level of customer service, managing online orders and in store queries, I also managed back of house, including stock counts and discrepancy reports.

### SALES ADVISER WITHIN COSTCO | LENOVO | DEC 2018

I was employed by Lenovo within Costco to help promote their new tablet device. I achieved and excelled my sales targets as well as maintaining great customer engagement. I was able to use this role to develop my service skills and develop the way I was able to help people.

### WAITER | SAKI | JUN 2017

I had waited at Saki Indian Restaurant for a few years throughout collage and university. My main responsibilities were serving customers, quality checking food, managing waste and helped cover upon manager absence. I was able to develop my people and hospitality skills.
